LITTLE BILLY SHANKS CELEBRATES BIRTHDAY.

Billy Ford Shanks, son of Mr. and
Mrs. C. B. Shanks of Wellesley Park,
celebrated his seventh birthday

Friday afternoon, and invited about
thirty of his little friends to help
him. It happened to be the birth-
day of one of the invited guests,

Margaret Allen, and birthday cakes
were exchanged, much to the mer-
ritment of the little folks.

The afternoon was spent in
playing games till about four
o'clock, when they were called in-
to the prettily decorated dining

room. The color scheme was pink
and white and was carried out in
refreshments as well as flowers and
decorations.

The following were present:
Billy Shanks, Robert Mantz, Paul Mantz, Jack
Poole, Alvin Hayes, Henry Paulsick, Norbert
Landschick, Jack Wentworth, Geo. Wentworth,
Bob Chatham, Bud Walsh, Robert Walsh, Grant
Merrill, Ernest Merrill, Seward Whitehead,
Frank Towne, Kendall Towne, Walter Black
(Rolo Alto), Margaret Allen, Frances Barton,
George Barton, Margaret Rice, Irene Cronk,
Marie Pauline O'Connell, Aileen Landschick,
Marie Merrill, Grace Dearborn, Claire Kiste,
Ruth Kiste, Service Black (Rolo Alto).

**SAN MATEO "BOOSTERS"
TO HAVE BANQUET.**

The county boosters will hold a
banquet at the Peninsula Hotel,
April 19, when Mayor Rolph, the
San Francisco Board of Supervisors
and delegates from various civic
organizations will be present. In
order that a "get together" in-
terest may reign supreme, evening
clothes will be worn. The banquet
will mark the close of the first
year's work of the Development
Association. According to a re-
cent communication from L. M.
King of the Chamber of Commerce,
a "trade excursion" will be held
some time during May. This will
be the first one for San Mateo
county, and the Development As-
sociation regards the prospect of
the excursion as resulting benefi-
cially to the Peninsula.

**CALIFORNIA RAISIN-DAY
CELEBRATED ON APRIL 30.**

"California Raisin-day" instituted
three years ago, will be celebrated
again this year on April 30. Raisin-
in day has now become an annual
affair and there is hardly a part of
the United States where raisins are
not eaten on this occasion.

It was inaugurated three years
ago by the raisin-growers of Cali-
fornia and the Southern Pacific
Company and everybody in the
country April 30 became afflicted
with "Raisins."

Through the entire country the
railroads prepare special menus for
their dining-cars, all of which con-
tain some dish which has for one
of the ingredients, raisins.

The committee in charge of the
affair this year is planning for
the issuance of 40,000 posters
and window cards, 100,000 post-
cards and approximately 2,000,000
stickers.

These will all be distributed
throughout the country and it is
also planned to have raisin exhibi-
tions in the largest cities in the
country, prizes to be awarded in
each city for the best exhibit.

**TRAVELING MADE EASY BY
SOUTHERN PACIFIC AGENTS.**

Mr. E. Schillingsburg, district
passenger agent of the Southern Pa-
cific at San Jose, has received the
schedules, rates of fare and dates
of sale for the Summer Excursion
rates to the East and Europe. He
is now preparing schedules to be
sent to all inquirers, giving full
information about trips to any point
in the world, and his office is pre-
pared to arrange any itinerary to
suit the most exacting traveler.

Any inquiry addressed to either
him or any agent of the South-
ern Pacific will be given prompt at-
tention by experienced passenger
men and bring to your home all the
information you desire about any
trip. To travel now is the easiest
thing in the world, as all the ar-
rangements for your trip, reserva-
tions for your sleeper, arrange-
ments for stopovers etc., can be
made in your own home or at the
local offices.

European, Oriental or round
the world rates and schedules will
be cheerfully prepared on request.

J. W. FARNSWORTH GOES TO LONG REST

Prominent Local Resident Ends
Life's Weary Struggle.

Startling and inexpressibly sad
was the death of Julian W. Farns-
worth at his beautiful home in
Dingee Park last Monday morning.

And the news that the deceased
had taken his own life was hardly
realizable, Farnsworth was of such
a happy, sunny disposition and so
apparently devoid of care.

Mr. and Mrs. Farnsworth and
some friends had attended a social
gathering at San Carlos Sunday
evening. Upon returning to their
home shortly after midnight they
found G. Woods, a Stanford student,
and Miss Downing, a friend of Mrs.
Farnsworth, awaiting them. The
couple were to spend the
night. Miss Downing and Mrs.
Farnsworth, it being understood,
were to use an upstairs sleep-
ing room, while Woods and Farnsworth
were to sleep downstairs.

Farnsworth refused to give
up his room and rushed upstairs be-
hind his wife. He whipped out a
revolver, but Mrs. Farnsworth suc-
ceeded in quieting him after which
he exhibited a small pellet which,
he remarked was the "dope" that
would do the work. Mrs. Farns-
worth thought that he was joking
but shortly afterward she was at-
tacked by his unnatural breathing
and in great alarm she summoned
Dr. N. C. Bissell who responded, but
too late to save the life of
Farnsworth.

Dr. Bissell was notified and
at once summoned a jury which
viewed the remains. An autopsy
was held by Dr. Bissell to ascertain
what agency the deceased used to
cause his death. The inquest will
be held Monday at 10 o'clock.

Farnsworth was 42 years of age,
a member of the firm of White &
Farnsworth, wholesale stationers,
at 425 Montgomery street, San
Francisco. Neither his business
associates nor his wife can ascribe
any positive reason for his action.

He was a native of Connecticut,
coming to California about twenty
years ago and having been engaged
in business in San Francisco since
that time. Among his acquaintances
in this city the deceased was gen-
erally admired. He was often sug-
gested as a suitable candidate for
city councilman, but refused the of-
fice. Besides his wife he is sur-
vived by two children, a boy and a
girl. He and his wife were a
most congenial couple.

The funeral took place Wednesday
under the auspices of the San Ma-
teo lodge of Elks of which the de-
ceased was a member. At 12:14
the body was taken to Cypress
lawn cemetery and there laid at
rest.

Odd Fellows to Hold Picnic.

The annual picnic of Bay View
lodge of Odd Fellows, in celebration
of the anniversary of the order,
will be held April 26th at Fernbrook
Park at Niles. The train ride to
and from Niles across the bay will
be a delightful feature of the ex-
cursion.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Redwood City needs a bigger Board of Trade with a wider scope. The city that boasts is the city that knocks the permissiveness these days.

It looks like New York had shed another rock at that hat in the ring. It is to be hoped it won't be knocked clear out before California gets a chance at it.

AN IMPORTANT LOCAL ISSUE.

Upon the result of the election next Friday, when the question of the issuance of the bonds of the city to the amount of \$37,000 for public improvements is to be decided, depends to a large extent the future public policy of the city. A vote in favor of the bonds means a liberal encouragement of public improvement, while a vote against the bonds indicates a readiness to discourage efforts for the attraction to our midst of either the home seeker or the manufacturer.

In submitting the various propositions to the people, the Trustees have used every effort to keep the amounts suggested to the lowest possible limit. In no case have they suggested the issuance of bonds to a greater amount than that demanded by future needs can best be cared for as they present themselves.

Especially is this true in the amounts proposed for street improvements. If the streets of the central residence districts are to be improved at all, and it is universally admitted that something must be done this summer, as a matter of necessity, the city must bear its portion of the cost of improving streets fronting public property. The estimate of \$3,000 for this purpose was based upon the figures of cost submitted by the members of the seventeenth district improvement club as the probable cost to them for private work. Under no circumstances will it be possible to devote this amount from the general fund, hence the bonds must be voted or the Council will be compelled to block an admittedly needed work for want of funds.

Upon the result of the proposed bonds for the improvement of street intersections depends the future policy of the city in a matter of the utmost importance to every owner of property. In submitting this proposition the Council has practically gone on record as submitting to the voters the decision of a plan of street work to be followed for all time. If the voters sanction the issuance of these bonds, they declare that in their opinion the cost of the improvement of street intersections should be borne by the general public rather than the owners of the property on abutting streets. Practical assurance has been given by the actions of the council that the policy indicated by this vote will in all cases be followed in the future.

While it is not probable that the amount named for this purpose, \$20,000, will be more than sufficient for the improvements indicated in the call for bonds, we can be assured that the same policy will be pursued in the improvement of other sections. As streets in other portions of the city are improved, means of taking care of that portion of the expense which under this policy would fall upon the general public will be the general fund or the insurance found, either by payments from additional bonds or the necessities of the occasion may require.

To have called for a larger amount of the issue for this purpose proposed at this time would have been far from the policy of economy which has been pursued, as some considerable time must of necessity elapse before there is need for future funds for this class of work. With the improvement of the streets named in the call, a very considerable portion of the city will have been covered. The completion of the work thus laid out will probably require at least two years, and it is probable that even much more than this will elapse before additional improvements of this character are demanded. By this time there is every reason to hope that the general funds of the city will be in a condition to meet the demands as they occur.

That the proposal to incur an indebtedness of \$7,000 for the improvement of the facilities of the fire department is a wise one, no one can well question. Redwood City has long since outgrown the days of the provincial hand engine. We are no longer a scattered village, and must either provide ourselves with modern means of protection or expect to pay for the extra hazard in increased insurance rates.

At almost every session of the Council the Trustees are importuned for extensions of the street lighting system. In every case these demands are just and the need of lights unquestioned, and as far as the means at their disposal would allow the Trustees have evinced a readiness to comply with the demands. The point has now been reached where no further funds are available for this purpose, and either more money must be supplied or extensions must stop.

Certainly these matters are of importance to every citizen of Redwood City. For that reason, there should be a large vote next Friday and the action for the issuance of the bonds should be practically unanimous.

A Nation's Call.

GIVE ALL A HEARING

The mass meeting announced for next Tuesday evening at the Alhambra should attract an immense audience. In fact it is the duty of every citizen of Redwood City to attend and by this means become more fully acquainted with the men from whom are to be selected the officials who will at least have a large share in the control of the affairs of the municipality during an important period in its history and to learn of their views.

It is equally just to the candidates that they be given a full opportunity to make known their intentions. This is certainly the only means by which a clear judgment can be arrived at, and by which an unbiased choice can be made.

Fortunately there are no great questions of policy at stake. The success of failure of either candidate involves no danger or serious harm to the community.

The Times-Gazette believes that the candidates for trustees named by the citizens mass convention should be elected. The men named on this ticket—Geo. A. Merrill, Joseph J. Hahir and George A. Deleau—were selected not alone because of their known ability and integrity, but from a confidence that they were in accord with the spirit of progress which has actuated the city during the past few years and would bring harmony of thought and action to a continuance of the work of public improvement as well begun.

At the same time we intend that this shall be taken as no intimation of disparagement of either Mr. Jamieson or Mr. Christ. Both are good men and upright citizens, and under other circumstances might well have our hearty support.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the County Districts.

The city council of South San Francisco has adopted an ordinance providing for the turning over of that portion of El Camino Real which lies within the city limits to the control of the Board of Supervisors for State or county highway purposes.

South San Francisco has been included in the territory covered by the gang of thieves which have been working the northern end of the county for some time past. On Wednesday night of last week two horses were stolen from James Pickett of that town, and on the same night a wagon and harness and 14 calves were taken from the Guadalupe dairy. Within a night or two of this time a fine heifer calf was stolen from the home of Antonio Costa. The people are beginning to think it about time the officers found some means of putting a stop to this sort of thing.

The trustees of Daly City have passed to final passage the ordinance limiting the number of saloons in that town to 16. The ordinance also requires that all applicants for licenses must secure the consent of two thirds of all heads of families residing within 300 feet of the proposed location of the saloon.

During the coming summer Hillsborough is to spend \$115,000 in the improvement of its streets and \$15,000 for the equipment of a fire department. The vote authorizing a bond issue for these purposes was almost unanimous, but four out of a total of 73 votes cast being against the proposition.

A Ritz of Halfmoon Bay is having plans prepared for a new building to be erected on Main street in that town. He will use a portion of the building for his harness business, the remainder being occupied as a residence.

George Hall, who has spent several months in Texas, has returned to again make his home in Halfmoon Bay.

H. J. Rees has had plans made for a handsome residence on his property in Montana. The improvements will cost about \$3,000.

Charles P. Mosconi, proprietor of the Mosconi Hotel at Halfmoon Bay, has been elected as the delegate to represent San Mateo County at the annual session of the Grand Jurors, Native Sons of the Golden West, which will be held at Fresno. It is understood that Mr. Mosconi, who is representing his parlor for the eleventh consecutive term will be a candidate for the office of stand outside sentinel.

Claude Littlepage and T. C. Harigan have purchased the John Hynes tract of 30 acres lying between Moss Beach and Marine View, and the tract is to be subdivided and placed on the market immediately.

Halfmoon Bay is to have a new amusement attraction. Parties have leased Cunha's hall and fitted up the place for a moving picture house. Exhibitions will be given three evenings each week.

Dennis Quillman, trustee of Daly City, is a candidate to succeed himself. If the people of that city are true to their own interests they will re-elect him. Through his efforts the town has been cleaned of all the fifth and slime of low places and is now a community where respectable people may live and bring up their children without fear of bad influences of immoral resorts and degraded characters that appeared on the streets.

So far three candidates have announced themselves as desiring election for the two vacant places on the board of trustees of the San Mateo Union high school district. These are C. K. Melrose of San Mateo, who is a candidate for re-election, and Henry A. Cahalan and E. I. Sheehan of Burlingame.

During the absence of W. B. Denofter, Attorney Harry E. Styles is in charge of the San Mateo Index. Mr. Styles is proving himself an editorial writer of much ability, adding materially to the prestige of the paper.

Members of San Mateo Parlor, Native Sons of the Golden West, have begun preparations for a ball which they intend shall be one of the leading events of the social season of that town. The affair will be held at the Masonic temple May 4th.

The City Council of Burlingame has passed an order directing that all dogs permitted to go on the streets of the town must be muzzled. Dogs, whether licensed or not, found roaming the streets without being muzzled will be impounded.

MELANCHOLY PASSING AWAY OF YOUNG CHARLES LIPP.

All that was mortal of Charles Lipp was tenderly laid away Thursday afternoon in Union Cemetery by loving hands. A large number of sorrowing friends and relatives followed the remains to their last resting place. The floral offerings were many and costly. The circumstances surrounding his death point to suicide.

The deceased who was employed by his brother William was supposed to be at work Monday morning. When his brother arrived at the stable the teams were not hitched and on making a search Charles was found lying in one of the stalls with a 22-caliber rifle lying across his body.

Dr. Ross was hastily summoned and the young man hurried to Mrs. Mullins' sanitarium. An examination disclosed a bullet wound in his right temple, the shot having entered his brain. The young man lingered until Tuesday morning when he passed away without becoming conscious.

The deceased was born and reared in this city and was aged 23 years. Besides his parents he is survived by six brothers and sisters. He was recently married.

Tax Payer Favors John Christ

Editor Times-Gazette: Mr. Christ needs no introduction to the people of Redwood City. He has been a most respected resident of this place for the past forty years and more. For twenty-five years he served the town faithfully and well as marshal and also served a term as trustee. He is a man well acquainted with town affairs and has always worked for its best interests. We can vouch for his uprightness and integrity. If elected you will be sure that Mr. Christ will give to the town his best attention and that his affairs are administered wisely, practically and economically. We are not optimistic when we say that on April 8th he will be elected with large majority.

The entire hall was decorated in red and green, and with the pretty costumes of the dancers made a very pretty picture. Refreshments were daintily served and were generously patronized.

POPULAR PASTOR TO SURRENDER CHARGE

Members of the Congregational Church Bid Farewell to Earnest Worker.

Rev. Charles C. Kirtland will preach his farewell sermon in the Congregational Church tomorrow. A successor to Mr. Kirtland has not yet been secured and the committee in charge of pulpit supply have bound him to the field before calling a new pastor. The committee appointed by the church to frame suitable resolutions for Mr. Kirtland presented the following to him on Thursday night at the prayer meeting.

Whereas, Reverend Charles C. Kirtland has seen fit, after more than eight years of faithful service, to sever the pastoral bonds which have bound him to the Redwood City Congregational Church, and, Whereas, the deepest regret is felt by all of the members of the church at his decision to sever these ties which have united him to the people of this city as their minister of the Gospel, and,

Whereas, no worthy man can sustain the intimate relation of pastor to his people for so many years without finding a very large place in their affections,

Therefore, be it resolved that in the retiring of Mr. Kirtland, the Congregational Church of Redwood City has lost a most zealous pastor; and one whom the young who were baptized by him, the families united in marriage by him, the homes in which his earnest and sympathetic ministrations have been tenderly given, will be remembered as a true friend, and,

Be it further resolved that we believe that the civic and social life of our community is losing a champion who has consistently stood for what is true and best, and,

Be it further resolved that we as his pupils and inspired by his precept and example, and by his regular attention to the services, and,

Therefore be it further resolved that we most cheerfully commend him to the Christian love and fellowship of all with whom he may be brought into contact, and that we extend to him our heartfelt regrets that he has seen fit to leave this community where his influence has been so great.

Respectfully submitted, H. Martens, Chairman. S. P. McCrea. Roy W. Cloud.

DEVELOPMENT ASSOCIATION BEGINS IMPORTANT ACTION

March 25th is hoped and believed in the years to come will be regarded as a red letter day in the history of San Mateo county marking the dawn of a new era of prosperity.

On that date, in fact as early in the morning as ordinary office hours allow the suit of the Development Association against the Southern Pacific Company was filed with the Railroad Commission by Attorney Seth Mann. Years of effort have been waged by the residents of the peninsula to have the company relieve this action somewhat from the burden of excessive transportation charges under which it has always staggered but the dilatory tactics of the corporation always outran the pocketbooks and patience of all those engaged in such movements until the Development Association took the problem in hand. With relief from high rates coming with successful ending of the transportation suit which the Association confidently expects it is believed that the peninsula will gain wonderfully in population and wealth.

In brief the complaint of the Association charges that the rates charged by the Southern Pacific on the peninsula are unwarrantably high, this allegation referring to commutation, time, round trip and single fare tickets; second, that the rates are discriminatory as compared with the rates for equal distances in Alameda county and third that the commutation rates are extortionate as compared with those in effect in the transbay territory.

Among the well known citizens who are expected to be on the list of speakers at the "get together" dinner of the Association to be held at the Peninsula Hotel on April 19th, are Mayor J. Rolph, William A. Brewer, Seth Mann, W. Martin, E. F. Treadwell, Judge G. E. Cunningham, J. E. Hayden, Geo. C. Ross and others. Reservations accompanied by check for two dollars can be made now with the Association.
